Board of County Commissioners Do Not Agree Relative to

APPROPRIATIONS FOR ROADS.

Members From the Country Districts Object to the Scaling of Appropriations Reported by the Rouls and Bridges Committee - The Filing Case Proposition was Knocked Out-The Annual Approprintton Ordinance.

The meeting of the Ohio county board commissioners yesterday morning, which continued into the afternoon, was the most interesting recently held. One of the most interesting phases of the ses-sion was the knock-out blow administered to the proposition to put in filing cases and book shelves in the office of the county clerk. The recommendation of the court house and jail committee for the purchase of the filing cases was opposed

purchase of the filing cases was opposed by a counter recommendation from the finance committee, which was that no cases be purchased at this time. The board took the view of the finance committee, not a vote being recorded in favor of the proposition when it was finally disposed of.

Another important matter was the section of the annual appropriation ordinance which provides for the expenditures of the facul year in the various departments of the county board. The finance committee brought in a recommendation scaling the appropriations for roads and bridges, just as the other departments were scaled. This was vigorously objected to by the country members, who mustered enough strength—five—to prevent the passage of the ordinance. Another vote was taken with the same result and the board with the same result and the board with the vordinance. It is probable that a special session of the board wit be held to again take up the ordinance.

No Filing Cases.

The report of the committee on court ouse and jail, which a week ago passed a resolution to the effect that the vault in office of the county clerk be fitted up with new file cases and shelves, at a cost of over \$4,000, was received. Mr. Fritz moved to amend by providing for but one new case. Mr. Hare further moved to amend by striking out the whole matter from the report, and this amendment was concurred in.

The committee on poor house and farm reported the resignation of Miss Belle Gilfillan as nurse at the county heepital. This was accepted, to take place when her successor is appointed.

The superintendent of the infirmary reported receipts during the month of \$48.75. His report of inmates showed a total of 110, as follows: White males 78, white females 28, colored male 1, colored females 3. with new file cases and shelves, at a cost

Bids were opened for medical attendance and medicine for prisoners in jail, and the contract was awarded to Dr. C.

S. Terrill, at his bid of \$72.

W. W. Rogers, justice, was allowed a new docket.

County Clerk Robertson petitioned for a telephone for the accommodation of at-torneys and the general public and offi-cials. It was referred to the committee on court house and Jail.

cials. It was referred to the committee on court house and jail.

A communication was received from A. C. Wasner, recorder of the town of Fulton, calling attention to some dangerous places in the national road inside the limits of the town. The matter was referred to roads and bridges committee. A similar communication referring to eldewalks, was referred to the prosecuting attorney for an opinion.

A communication from Joseph Goliner

cuting attorney for an opinion. A communication from Joseph Goliner and Joseph Bremer, residents of Caldwell's run, called attention to the fact that Jasper Beall had enclosed twenty feet seven inches of ground owned by the county, upon which he had erected a stable, to the detriment of the public. The matter went to the roads and bridges committee. A petition from citizens desiring to work out road taxes was referred to the same committee. William Keldsing tendered his resignation as constable for Ritchle district, and it was accepted. The vacancy was not filled.

and it was accepted. The vacancy was not filled.

W. C. Smith, justice of the peace for Triadelphia district, tendered his resignation, and it was accepted. Mr. Burkers nominated J. C. Duncan, and an application was received from J. C. Marple, Mr. Duncan was elected.

Approval of Sonds.
Bonds were received and approved as

follows: N. Nickerson, superintendent first division of the National road, \$2,000, with E. M. Atkinson as surety; W. T. Crummie, superintendent second division of the same road, \$2,000, with F. C. Hady and C. S. Terrill as sureties; John Korn, superintendent third division of same road, \$2,000, with D. Maxwell surety; John Shorts, constable for Centre district, \$2,000, with John Cummins and F. M. Church sureties.

Licenses were granted as follows: Elm Gruce, Fred Hartleib, John Gamble and Aug. Pestinger: miscellaneous, William Fette, Amelia Walter, Wheeling Park Association, John Dolan. W. R. Hanna, elected elected constable for Liberty district, had failed to qualify within the specified time, and was reappointed.

This brought the board down to the appropriation ordinance, as reported from the committee. A good deal of time was spent over it, and then it was referred to the finance committee, to cut down the road and bridge appropriations and report at the afternoon session. The board down do finance, and report at the afternoon session. first division of the National road, \$2,000,
